

MULTIPLE-GUARANTEE MODIFIED SYSTEM 12

Another highly effective lotto system – this time to play 12 numbers - that has a conditional guarantee of First Prize and requires just SIX games.

A Full System 12 requires 924 games.

The secret is to play ANY 2 OF 4 TRIO's.

You are **GUARANTEED First Prize if you have any 2 Trios containing the 6 winning numbers** – But there is MUCH more – See the FOUR Guarantees below!

Copyright Terry Fisher

Admitted, it is not as good as a full system 12 - and if you can afford all 924 games, then go ahead and play the full system 12. If not, this six-game arrangement is pretty neat.

Here is the basic layout –

| | Trio 1 | | | Trio 2 | | | Trio 3 | | | Trio 4 | | |
|------------------------|--------|---|---|--------|---|---|--------|---|---|--------|----|----|
| | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 |
| Your 12 Numbers | | | | | | | | | | | | |
| Game 1 | | | | | | | X | X | X | X | X | X |
| Game 2 | | | | X | X | X | | | | X | X | X |
| Game 3 | | | | X | X | X | X | X | X | | | |
| Game 4 | X | X | X | | | | | | | X | X | X |
| Game 5 | X | X | X | | | | X | X | X | | | |
| Game 6 | X | X | X | X | X | X | | | | | | |

No matter what 12 numbers you choose, substitute your 12 numbers for the 1 to 12 above and you are guaranteed:

- ◆ **First Prize** if any TWO trios (1-2-3 / 4-5-6 / 7-8-9 / 10-11-12) include the six winning numbers
- ◆ At least Four winning numbers together if you have six winning numbers anywhere in your twelve numbers.
- ◆ Five winning numbers together if you have five winning numbers together within any 2 trios
- ◆ Four winning numbers together if you have four winning numbers together within 2 trios

Enjoy your new Modified System 12!

YOUR BASIC 6-GAME TEMPLATE

| | Trio 1 | | | Trio 2 | | | Trio 3 | | | Trio 4 | | |
|------------------------|--------|---|---|--------|---|---|--------|---|---|--------|----|----|
| | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 |
| Your 12 Numbers | | | | | | | | | | | | |
| Game 1 | | | | | | | X | X | X | X | X | X |

A WORKED EXAMPLE

Simply copy your numbers down into the vacant boxes.

| | Trio 1 | | | Trio 2 | | | Trio 3 | | | Trio 4 | | |
|------------------------|--------|----|----|--------|----|----|--------|----|----|--------|----|----|
| | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 |
| Your 12 Numbers | 5 | 18 | 40 | 9 | 27 | 44 | 12 | 36 | 45 | 15 | 21 | 32 |
| Game 1 | 5 | 18 | 40 | 9 | 27 | 44 | X | X | X | X | X | X |
| Game 2 | 5 | 18 | 40 | X | X | X | 12 | 36 | 45 | X | X | X |
| Game 3 | 5 | 18 | 40 | X | X | X | X | X | X | 15 | 21 | 32 |
| Game 4 | X | X | X | 9 | 27 | 44 | 12 | 36 | 45 | X | X | X |
| Game 5 | X | X | X | 9 | 27 | 44 | X | X | X | 15 | 21 | 32 |
| Game 6 | X | X | X | X | X | X | 12 | 36 | 45 | 15 | 21 | 32 |

For those who need the numbers tidied up, this becomes:

| | | | | | | |
|--------|----|----|----|----|----|----|
| Game 1 | 5 | 9 | 18 | 27 | 40 | 44 |
| Game 2 | 5 | 12 | 18 | 36 | 40 | 45 |
| Game 3 | 5 | 15 | 18 | 21 | 32 | 40 |
| Game 4 | 9 | 12 | 27 | 36 | 44 | 45 |
| Game 5 | 9 | 15 | 21 | 27 | 32 | 44 |
| Game 6 | 12 | 15 | 21 | 32 | 36 | 45 |

Please note that if your 12 numbers were input strictly numerically, the first games would be: 5 9 12 15 18 21 - Which is not a smart play (all the numbers are in the bottom half and we need a "Balanced Entry"). This is a major problem with lotto systems and software sold by people who do not understand lottery statistics or lotto strategies.

IMPORTANT:

Note that there are 3 numbers from 1-12, 13-24, 25-36 and 37-49 (Example is for a 6-49 Lottery). Then we set up each Trio to have mostly numbers from 3 different sets of 12.

Each of the 12 numbers appears three times (in 50% of the games).

All Games have at least 2-odd and 2-even numbers – Because of the way we set up each Trio (at least 1-odd and 1-even number).

There are either NO consecutive numbers or only TWO consecutive numbers. Most lottery results have either NO consecutive numbers or TWO consecutive numbers.

These little tweaks make a HUGE Difference.

Copyright Terry Fisher

Also, because this lotto system only requires 6 games, you can play multiples of 12 numbers at a reasonable cost. For example, if you play a **49 ball lottery**, you could play 4 sets of 12 numbers in only 24 games and cover 48 of the 49 numbers.

IF your budget only stretches to \$12, then play 2 sets of 12 numbers, covering 24 balls – BUT – Do NOT Overspend.

OTHER SYSTEM 12's

We think the above Free System is great, but if you do want a Stronger Guarantee, then please Paypal to terry.aust@gmail.com the amount below for –

1. An arrangement of all 12 numbers so that if you have 6 winning numbers, then at least FIVE will be together in at least 1 line - just **38*** of the 924 games – Cost \$19.95
2. An arrangement of all 12 numbers to guarantee that if you have just **4** winning numbers, they will definitely be together - just **42*** of the 924 games – Cost \$19.95
3. An arrangement of all 12 numbers so that if you have 6 winning numbers, then at least FIVE will be together in at least 1 line - PLUS - if you have just **4** winning numbers, they will definitely be together - just **58*** of the 924 games – Cost \$27
4. An arrangement of all 12 numbers so that if you have just **5** winning numbers they will all be together in at least 1 line - just **132** of the 924 games – Cost \$37

* Many lotto systems fail to tell you that 5-from-6 does not necessarily guarantee 4-from-4 – or vice versa. To get minimum games, it is usually one or the other – if you want both 5-from-6 AND 4-from-4, it usually involves more games than either one alone.

You can have your numbers as a 1 to 12 Template, and/or tell me your 12 numbers (one set only – please add \$2 for each additional set of your 12 numbers).

Copyright Terry Fisher

IMPORTANT: Add your Free 6 Game System to the above for optimal effect. To get the above down to the minimum games – I started from scratch. The 4 Trios are NOT necessarily included. Also, setting up your 4 Trios as recommended on the previous page is much easier if you do it separately from the systems above.

DONE FOR YOU LOTTO NUMBERS

Email terry.aust@gmail.com if your Lottery is not yet live and we will fix it for you

Most LARGE Lotto Systems DOUBLE in terms of Games Required when moving from a 90% Probability to a 100% Guarantee.

For example, to Guarantee THREE winning numbers in a 49-ball, Pick-6, lottery requires 170 Games (a system I can supply if you want it).

However, a 90% Probability Guarantee requires only 82 Games.

Because I create my own lottery systems, I look for best value-for-money when playing my own lotto entries. Traditionally, I create 90%, 95%, 98% and 100% Systems and then decide which to play myself.

As I have shared this secret, more and more people have asked me for their own “Custom Lotto System.” If you are interested in value-for-money Custom Lotto Systems, please email me at terry.aust@gmail.com (reasonable prices).
